

Model 73

Deluxe POS Cash Drawer

Deluxe POS Cash Drawer

Ideal for most POS applications, the deluxe CRS Model 73 Deluxe POS Cash Drawer is designed to be driven by the POS printer or POS terminal using a standard RJ connection.

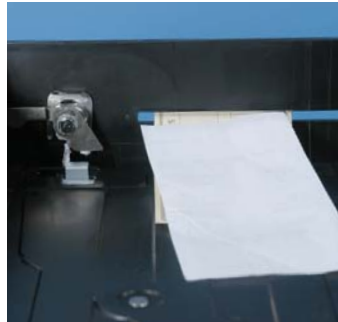

The Model 73 features spring activated hardened steel wire bill weights and dedicated storage for coin rolls in the removable insert tray. Card slips and other media can be inserted into the long media slot without opening the cash drawer.

Easily mounts under the counter with optional brackets. Extra inserts and locking lids are available to transfer cash and media when employees begin and end their work shifts.
