

ELECTRO-MECHANICS

# SRP-500

COLOR INKJET PRINTER

*The first affordable color inkjet receipt printer with drop and print design.*

Add a splash of color to print distinctive receipts with logos, coupons, rebates and specials. Using HP's state-of-the-art inkjet technology, the Samsung SRP-500 combines high speed, consistent print quality, high reliability and low cost of ownership. The compact lightweight printer features an easy to load drop and print mechanism, low ink indicator and a paper near end sensor.
